

INTERNET CONNECTION

Check your internet connection

CAMERAS

Position your camera to show the best view of yourself

LIGHTING

Try to reduce sun glare and have good lighting in your room or area

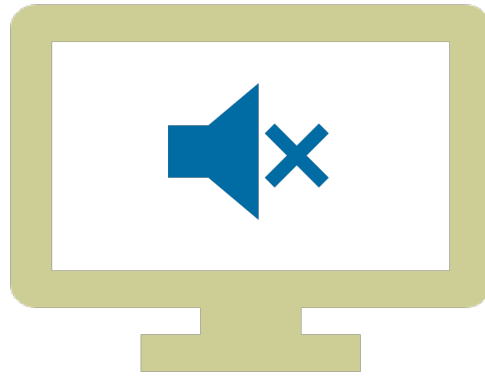

NO RECORDING

Recording of the conference is not allowed

USE HEADPHONES

Use headphones if you have them to improve your voice quality and reduce the noise around you

MUTE YOURSELF

Mute your microphone when you're not speaking to eliminate background noise

LOOK INTO THE CAMERA

Look into your camera as much as possible

PRIVATE LOCATION

Find a private location when participating in the conference
